

Historic Mt. Gilead Church

picturesque location for special engagements

Built in 1873, this beautiful and simplistic brick church still holds its original furniture, light fixtures and gorgeous tongue-and-groove ceiling. These details add a special touch to any event.

The simple furnishings add to the charm many couples are seeking. With your special décor, Mt. Gilead Church can be transformed to fit most any style of wedding.

Also available for your use are round tables and folding chairs. A small dressing room is located inside the church and the front lawn can serve as a picturesque site for your reception.
